

## **Simplify Authorizations with Availity Essentials**

Submit and track authorization requests in one place using Availity Essentials—no more fax or phone calls. It helps streamline workflows with **Peach State Health Plan, Ambetter from Peach State Health Plan, and Wellcare** and gives you real-time status updates.

### **Already have an Availity account?**

Make sure you have the **Authorization & Referral Request role** and the **Authorization & Referral Inquiry role**. Contact your Availity administrator if you need access.

### **What's New**

The **Concurrent Review / Continued Stay** feature lets you upload additional clinical documentation directly in Availity to support ongoing inpatient authorizations that meet criteria—no extra calls or faxes needed.

### **Learn More**

- Access Availity's Provider Help Center for **Concurrent Review / Continued Stay** navigation instructions. Select the Authorization/Referral Inquiry link in the Authorization & Referral help topic.
- Click [here](#) for the Availity Learning Center, then follow the prompts to access health plan-specific on-demand authorization training.
