All Medicaid members are eligible for the Lifeline Program.

GET A FREE PHONE & PLAN IN 3-5 DAYS!

*Access Wireless is a service provider for the government-funded Lifeline Assistance program. Lifeline service is provided by i-wireless LLC, d/b/a Access Wireless, an eligible telecommunications carrier. Lifeline service is non-transferable. Only one Lifeline discount, consisting of either wireline or wireless service, can be received per household. A household is defined, for the purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses. Violation of the one-per-household rule constitutes a violation of FCC rules and will result in the customer's de-enrollment from the Lifeline program. Consumers who willfully make false statements in order to obtain a Lifeline benefit can be punished by fine or imprisonment or can be barred from the program. Customers must present proper documentation confirming their eligibility for the Lifeline program. Customer information will be validated against public records and any discrepancies could result in your approval or rejection of service.

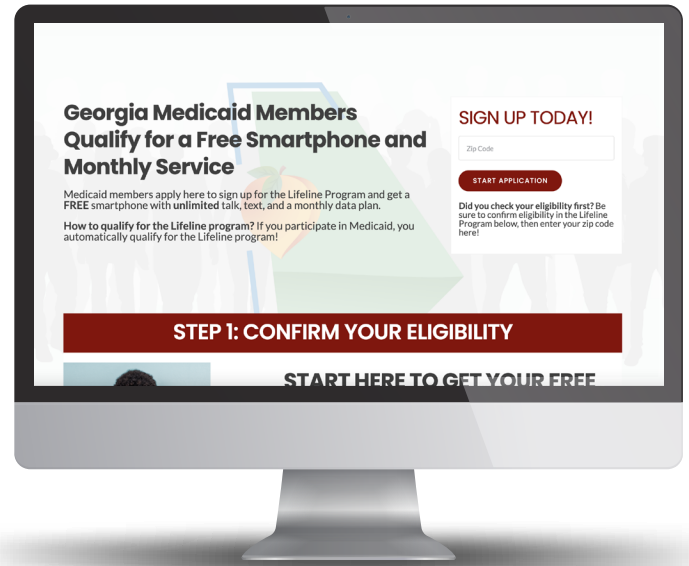

Lifeline Wireless Program
