

## No Cost GA Provider Trainings For June

Dear Provider Partner,

Below are the free Georgia June scheduled trainings we will be offering. Please note that, starting in April, our courses are hosted on the Clinical & Specialty Education Training Site. This new platform allows you to create an account, view your training history, and download certificates immediately after completing all required course elements.

### **How to Register:**

- Visit our Clinical & Specialty Education site using the following link: [Clinical Provider Training](#)
- This will allow you to view our Catalog where you can browse and register for our courses.
- Log in or create an account if this is your first visit, then it will prompt you to register.

**Need help?** Step-by-step guides are available [HERE](#). Click on User Guide for options. You can also reach us at: [BH\\_Training@centene.com](mailto:BH_Training@centene.com)
