Peach State Health Plan also provides coverage for urgent and after hours care. This is for urgent treatments related to Family Planning related conditions that must be treated within 24 hours. It is usually not life threatening, yet you can't wait for a routine doctor's office visit. Urgent Care is not emergency care. When you need urgent care, follow these steps:

1. You may want to call your Family Planning Provider first. The name and phone number are on your Peach State Health Plan Planning for Healthy Babies ID card. An after-hours number may also be listed. You may be given directions over the phone.
2. If it is after hours and you cannot reach your Family Planning Provider, call the Nurse Advice Line at 1-800-704-1484. You will be connected to a nurse. Have your Peach State Health Plan Planning for Healthy Babies ID card number handy. The nurse may direct you to other care. Or the nurse may help you over the phone.
3. You may have to give the nurse your phone number. During normal office hours, the nurse will assist you in contacting your Family Planning Provider.

If you are told to see another doctor or go to the nearest hospital emergency room:

- Bring your Peach State Health Plan Planning for Healthy Babies ID card.
- Ask the doctor or hospital to call your Family Planning Provider or Peach State Health Plan as soon as possible.

To find a list of urgent care providers go to www.pshp.com and click on the "Find a Provider" link. Click "Start a Provider Search". Emergency Care

Peach State Health Plan provides coverage for Emergency and Post Stabilization services resulting from a Family Planning related emergency condition. An emergency is when you have severe pain, illness or injury. It could result in danger to you. Call 911 right away if you have an emergency or go to the nearest emergency room.

You do not need a doctor's approval to get emergency care. If you are not sure if it is an emergency, call your Family Planning Provider. Your Family Planning Provider will tell you what to do. If your Family Planning Provider is not available, someone else at the office can help. There may be a message telling you what to do.

Emergency rooms are for emergencies. Go to the nearest hospital emergency room if you are having a family planning related emergency. It is all right if the hospital does not belong to the Peach State Health Plan network. Peach State Health Plan P4HB enrollees can use any hospital for emergency services.

What is Post-stabilization Care?

Post-stabilization care services are covered services that you receive after emergency and urgent medical care.

- You get these services to help keep your condition stable.
- Post stabilization is covered as a part of emergency and urgent care services resulting from Family Planning related emergency conditions.

You should call your Family Planning Provider within 24 hours after you visit the emergency room. If you cannot call, you can have someone else call for you. Your Family Planning Provider will give or arrange any follow-up care you need.

A prior authorization is not needed. You can call our 24-hour emergency number at 1-800-704-1484. Peach State Health Plan P4HB enrollees can use any hospital for emergency services. Be sure to get follow up care after your emergency room visit. If you need help, you can call our 24-hour number, 1-800-704-1484, seven days a week.

All decisions and notifications will occur within the extended 14 calendar days if the time frame is extended.

Expedited Service Authorizations: Your doctor can ask for an expedited review if it is thought that a delay will cause harm to your health. Peach State Health Plan makes a decision within 24 clock hours from when we get the request. We will let your doctor know of services that have been approved 24 clock hours after we get the request. You or your doctor can ask to extend the time frame up to 5 business days. All decisions and notifications will occur by the end of the 5 business days if the time frame is extended.

Payment for Services

Peach State Health Plan will only pay for the services it approves.

Communication with the Utilization Management (UM) Staff

Authorization requests must be submitted by your doctor via the Centralized Prior Authorization Portal. Enrollees may access the UM staff to check coverage for medically necessary services via toll-free phone lines at 1-800-704-1483 or TDD/TYY 1-800-255-0056. The phone lines are open for authorization requests and UM related questions from 8 am to 5:30 pm Monday through Friday (excluding State holidays). Calls are directed to the UM department. After normal business hours and on state holidays calls to the UM department are automatically routed to the Nurse Advice Line. The Nurse Advice Line does not make authorization decisions. The Nurse Advice Line staff will take the authorization information for next business day response by the health plan. They will notify the Peach State Health Plan on call nurse in cases requiring an immediate response.

Pharmacy

Peach State Health Plan covers Family Planning and Interpregnancy Care covered drugs, services, and supplies for Planning for Healthy Babies enrollees.

How do you get your prescriptions?

- Go to your Peach State Health Plan provider for a prescription.
- Show the pharmacy your Peach State Health Plan Planning for Healthy Babies ID card.
- Give them your prescription order.

See the P4HB Provider Directory for the names of pharmacies near you. Member Services can also help you find a pharmacy and provide you with a list of drugs Peach State Health Plan uses. We update the list of covered drugs often. Some drugs like non-preferred drugs must be approved by Peach State Health Plan before you get them.

Non-preferred drugs are drugs that are not listed in the Preferred Drug List (PDL). Your doctor can decide if it is necessary to have a non-preferred drug. If so, they must give Peach State Health Plan a request for a prior authorization (PA). If Peach State Health Plan does not approve the request we will notify you. We will give you information about the grievance and appeal process and your right to a State Hearing.

Peach State Health Plan doctors have been notified in writing of:

- The drugs included in the Preferred Drug List (PDL).
- How to request a prior authorization.
- Special procedures set up for urgent requests.

You can always ask your doctor if your prescription needs a prior authorization approval. If it does, you can ask if there is another medicine that can be used that does not require an approval.

Call our Member Services Department to:

- Get information about the PDL.
- Find out how to get an appeal on a PA decision.
- Ask if your drug is covered.
- Learn more about health education services at no cost to you.

We can be reached at 1-800-704-1484. If you are hearing impaired call TTY 1-800-255-0056.

Grievance Procedures

We hope our Planning for Healthy Babies Enrollees will always be happy with us and our providers. If you are not happy, please let us know. This includes if you do not agree with a decision we have made about your care. Peach State Health Plan will try to solve your complaint on the phone. If we cannot, you, your legal guardian or your authorized representative can file a grievance. A grievance is an expression of dissatisfaction about any matter other than an Adverse Benefit Determination.

A grievance can be filed if or when:

- You are not satisfied with your provider's services or care
- Your Provider and/or staff have behavior that is not appropriate or courteous
- Your Provider is not as available to you as you would like
- Your Provider does not respect your rights even though you ask them to
- You do not want to give us extra time to respond to a service authorization.

A Provider cannot file a grievance for you unless you name him or her as your authorized representative.

Your grievance can be filed in writing or you can call us to file your grievance. To file a grievance, you can call Member Services at 1-800-704-1484, TTY 1-800-255-0056. They can provide help with writing and filing a grievance. They can also help you if you need this information translated or help those who are blind or have low vision.

- Your first and last name.
- Your Peach State Health Plan Planning for Healthy Babies ID card number.
- Your address and telephone number.

We will send you a letter in ten (10) calendar days letting you know that we received your grievance. We will look into your grievance and try to make a decision right away. If not, we will give you a written decision within ninety (90) calendar days from the date of your grievance request or sooner if your health condition calls for it. A doctor will review your grievance if it has medical issues. If you need help understanding the letter call Member Services at 1-800-704-1484.

We cannot treat you differently because you have filed a grievance. Your benefits will not be affected.

Appeals Process

There may be times when Peach State Health Plan will not pay for services that have been recommended by your doctor. If we do this, a letter will be mailed to you and your provider for services that are not approved. This letter is called an Adverse Benefit Determination letter. The adverse benefit determination letter will explain how you or your doctor (with your consent) or a legal representative of a deceased Planning for Healthy Babies Enrollee's estate can ask for an appeal of the decision.

An adverse benefit determination is when Peach State Health Plan:

- Denies the care you want;
- Decreases the amount of care;
- Ends care that has already been approved;
- Does not allow you to use a different provider to obtain services outside the network if you live in a rural area and only have Peach State Health Plan coverage;
- Does not provide services in a timely manner;
- Takes too long to send you a decision on an appeal or grievance; or
- Denies payment for care. You may have to pay for it;
- Denial of your request to dispute a financial liability.

An appeal is a review of an adverse benefit determination. Peach State Health Plan will ensure that the individuals who make decisions on your appeal are individuals who were not involved in any previous level of review or decision-making and who are health care professionals who have the appropriate clinical expertise in treating your condition or disease. You have sixty (60) calendar days from the date on the adverse benefit determination letter to ask for an appeal. We will acknowledge your appeal in writing within ten (10) calendar days of the receipt of your request for an appeal. We will give you a written decision within thirty (30) calendar days of the appeal request. You can request an appeal in writing or orally. If you request an oral appeal, you must send a letter stating that you want an appeal. The appeal request should be sent to the following address:

**Peach State Health Plan
Grievance & Appeals Coordinator
1100 Circle 75 Parkway
Suite 1100
Atlanta, GA 30339
(866) 532-8855 Fax**

Expedited Appeal

You, your doctor, legal representative with your consent, or legal representative of a deceased Planning for Healthy Babies Enrollee may want us to make a fast decision. You can ask for an Expedited Administrative Review if you feel that your physical or mental health is at risk. If you feel this is needed, call our Member Services Department at 1-800-704-1484 (TTY 1-800- 255-0056). Peach State Health Plan will look at your request and judge if your request deserves a fast decision. If we decide your case requires a fast decision, we will provide a decision within 72 hours. We will send you a letter with the decision within 72 hours or sooner if your health condition requires it.

If we do not agree that the request for an expedited appeal is needed, we will call you or your doctor right away. We will send you a letter within two (2) calendar days letting you know that the appeal will be reviewed through the regular review process. You may file a grievance if you do not agree with this decision by calling our Member Services department.

Peach State Health Plan may request more time if needed. If this occurs, you will be notified in writing. You may file a grievance if you do not agree with this decision by calling our Member Services department. If you feel you need more time before your expedited appeal is completed, please call 1-800-704-1484 and ask for the appeals department to request extension for up to 14 calendar days.

Peach State Health Plan will not hold it against you if you, or an authorized representative, your doctor (with your consent), or a legal representative for a deceased Planning for Healthy Babies Enrollee's estate file an appeal.
