

WE WANT YOU  
TO GET THE CARE  
YOU NEED!

More than 33,000 providers  
at more than 50,000 locations.  
And we're growing.

For a full list of all of our  
in-network providers, search  
on our **Find a Doctor Tool** at:

<https://findaprovider.pshpgeorgia.com/location>

September, 2021

## We are excited to welcome you to Peach State Health Plan!

Nothing is more important than taking care of you and your family.

For nearly 15 years, we have helped improve the health of Georgia families in need through our partnerships with local doctors and hospitals in the communities we share. We live and work here, too. Our network is growing to better serve you! We are here to assist you.
