

Reimbursement for CPT 99406 & 99407 Tobacco Cessation Therapy Services

Peach State Health Plan will provide reimbursement for tobacco cessation therapy services CPT 99406 and CPT 99407. Tobacco cessation therapy services may be billed in conjunction with the appropriate evaluation and management office visit code when medically necessary.

CPT 99406 Smoking and tobacco use cessation counseling visit; intermediate, greater than 3 minutes up to 10 minutes.

CPT 99407 Smoking and tobacco use cessation counseling visit; intensive, greater than 10 minutes.

Tobacco cessation therapy services are limited to two 12 week treatment periods per member per year. Tobacco cessation services must be rendered in a face-to-face setting and documented in the member's record during the treatment period.

Please note: Peach State Health Plan also provides reimbursement for the pharmacological management of tobacco cessation. For a listing of approved tobacco cessation medications, please visit the Pharmacy section of the Peach State Health Plan web portal located at: <http://www.pshpgeorgia.com/for-providers/pharmacy/>.

For additional information regarding tobacco cessation support services, please contact the Georgia Tobacco Quit Line at 1-877-270-STOP or visit www.livehealthygeorgia.org.

For questions regarding this notice, please contact your Peach State Health Plan Provider Services at 1-866-874-0633, Monday – Friday, 7 a.m. – 7 p.m.
