## IMPORTANT AUVI-Q® (EPINEPHRINE INJECTION, USP) RECALL NOTICE

November 11, 2015

MEMBER ADDRESS

Dear MEMBER,

Your health is important to us. On October 29, 2015, the U.S. Food and Drug Administration (FDA) announced a drug recall from Sanofi US. The recall is voluntary. It is for Auvi-Q® (epinephrine injection, USP)<sup>1</sup>. The FDA issued the recall due to the product potentially delivering the wrong dose of medication.

Our files show that you may have filled a prescription for this drug.

Please call your pharmacy to find out if your drug could be part of this recall. The pharmacy may replace the drug. **Please do not stop taking your drug. Talk to your doctor before making any changes.**

We are writing you for your information. This should not interfere with your doctor's advice. Only your doctor can decide what drugs are right for you.

Thank you,

Peach State Health Plan Pharmacy Department
